LEXTECH PRESENTS

TECH-TALES

FROM CODE TO COURTOOM

EPISODE 4

Lextech

INSTITUTION'S INNOVATION COUNCIL
(Ministry of Education Initiative)

WHAT IS TECH-TALES

Tech-Tales is LexTech's premier talk series, where we invite industry experts in topics like AI, FinTech, TMT, Data Privacy, Online Gaming, and much more! With its inception, NLUO becomes the first National Law University to cover these topics. These experts will discuss the recent developments in these areas and put forth their legal perspective. The sessions will be conducted online via platforms like Google Meet and streamed to the entire student body. It will be an interactive session and the floor will be opened to questions at the end!

TECH-TALES SEASON 1, EPISODE 4

SWAGATA BANERJEE

Having graduated from National Law University Odisha, batch of 2021, Swagata Banaerjee is currently the Legal and Corporate Development Advisor at Quantorix, an innovative IT company that provides 360-degree business solutions with the help of AI and Machine Learning.

ABHISHEK ARORA
